THE  
MAVERICK DESK  
COLLECTION

**VISTA** | Enter a fresh wave of executive styling that transcends staid and boxy tradition while preserving an elegant presence and a full array of storage. The transitional curvilinear design rounds out the desk and curves up and into the full, recessed modesty panel. The arching vistas continue in the hanging fascia that conceals available task lighting. 50 components, all with continuous height lines, configure with ease to uniquely compose each executive suite. Choose from a generous variety of solid, textured or wood grain laminates in monochromatic or contrasting colors.
